

All Alumni

We are hoping to hear from our alumni as you are still an important part of St. Mary - St. Augustine's history (no matter if you graduated a few or many years ago). We will be forming an Alumni Organization in the near future. An important part will be the planning of various "fun events" to give every one a chance to just get together; thus the need for contact information. Please click on the link "Thankful for our Past" and mail or email the requested information today.

St. Mary – St. Augustine Alumni Gathering Info

What a great turnout of alumni for our first **alumni gathering** Jan. 3! Thanks to everyone for coming – it was a fun evening of sharing! We would like to have more alumni gatherings in the coming months, but need your ideas as to what type of activities you are interested in. If you would like to see more gatherings and are willing to help plan call the school office (234-4958) and leave a message to let her know you are interested in being on the alumni planning committee.
